Such submissions include queries, feedback, or other information needed to best respond to specific requests. In addition, Suguna Foods may retain e-mails and other information sent through the web site for internal administrative purposes and to help serve you better with your requests.

Automatic data collection

Suguna Foods collects other types of visitor details including date, time, browser type, navigation history and IP addresses of all visitors to its web site. The information collected is used strictly for internal security audits, trend analysis for system administration purposes and also to gather web site's user behaviour and usage patterns on the web site. Suguna Foods may use this information to process and learn more about the web site's visitors, their preferences about the type of content / information provided through the web site. Suguna Foods will use this information to serve content that is more appropriate for the users or to contact visitors about offers from its representatives, which may be of interest to them. Suguna Foods does not disclose this information to any third parties.

Sharing information

Suguna Foods does not sell, rent, or lease its customer and web site visitor information to third parties.

Suguna Foods does not share personally identifiable information with third parties apart from group companies / divisions. Information may be shared with third parties who are acting as Suguna Foods's agents in providing its product(s)/service(s), and who agree to use it only for that purpose and keep the information secure and confidential.

Suguna Foods will also disclose information that it maintains when required to do so by law or, in special cases, when Suguna Foods has reason to believe that disclosing this information is necessary to identify, contact or take legal action against someone who may be causing injury to or interference with (either intentionally or unintentionally) its rights or property. Suguna Foods may share aggregate information, which is not personally identifiable, with others.

Correcting and updating personal information

If there is any change in the information which you have submitted through the site and you may wish to correct or update the same, you may contact our representatives through the web site and provide the details to be updated.

Security

Suguna Foods uses reasonable precautions to protect the information received by it through the web site. Such information is stored on web servers, which are stored in a secure environment. Suguna Foods shall not be responsible for any unauthorized access by any third party to the information stored by Suguna Foods on its servers.

Only Suguna Foods's employees, who need the information to perform a specific task, are granted access to such information.
